

CENTURION LACROSSE CLUB

Supporting lacrosse development since 1954.

Aims and Principles

These principles are the same now as they were when the club started

- To further the game of lacrosse and to encourage the game amongst young players.
- To provide a club for retired players, enabling them to keep in contact with lacrosse by providing a link with the contemporary game.

Plans for Growth

There is a huge body of people who have been involved in lacrosse at all levels and the aim is to provide a facility of social, lacrosse events, general fun activities, so that members can get together and chat about the sport and the friendships fostered in the game.

In addition, we propose to maintain and continue our support and encouragement of the sport, particularly amongst young players.

We also plan to issue a bi-monthly newsletter keeping people in touch with the modern game and various aspects around it.

We would like you to join the club

Irrespective of your current or past involvement, your age, experience or anything else, Centurion Lacrosse Club is for you. It creates that opportunity to meet people from the lacrosse family and at the same time assist the development of the sport.

How much does it cost?

Our annual membership fee is £48 (or if you are under 25 £12). This can be paid in one sum or if you prefer by a monthly standing order.

WE REALLY HOPE YOU WANT TO JOIN CENTURION LACROSSE CLUB.
